## BROWNELLS GUARANTEE

Very Simple: If you don't like a product or don't need a product; if it doesn't fit or is somehow defective for any reason, you can return it for Exchange, Credit or a Refund Check.

- No authorization numbers needed
- No justification
- No hassles
- Just send it back

## PRICE CHANGES

We don't artificially mark up our prices to cover possible increases from the manufacturers which might come in throughout the year. When the manufacturer notifies us of a price increase (or, at times, a decrease) we change our price at that time. As a result, All Prices Are Subject To Change Without Notice.

## HOW TO RETURN SOMETHING

*Send the Form or note and the product to:*

**Attn: Returns Department**  
**Brownells, Inc.**  
**3006 Brownells Parkway**  
**Grinnell, IA 50112 USA**

Send the package UPS, FedEx or Parcel Post, with adequate insurance.

## TECHNICAL SUPPORT

Our world renowned, full-time, Technical Support Staff can answer your "will it fit?" or "how do I...?" questions. Give them a call between 8:30 am and 4:30 pm, Tuesdays between 9:00 am and 4:30 pm central time, at **800-741-0015** or contact them at **brownells.com**

## ORDERING VIA OUR WEB SITE

Go online at **brownells.com** and you'll find our entire catalog. It's fully indexed and searchable by manufacturer name, general product category, various key words and by stock number. The site is constantly growing, updated daily, including price changes, and contains more information than is found in the catalog itself. You'll even find new products here, before they appear in our printed Catalog or New Product Supplements.

## SECURITY

Your **Credit Card** and **Personal Information** are completely safe, and private, with us. We use the latest 4096 bit encryption technology anytime we need your name, address, e-mail address, credit card info or telephone number. Don't worry, we never sell, rent, or give out our customers' names or personal information to anyone, anytime.
